

# McPrint App for **Windows**

Please follow the steps on the screen

The screenshot shows a mobile interface for setting up printing on Windows. At the top, it says "Set up printing for Windows" with a green flag icon. Below this, there are two numbered steps:

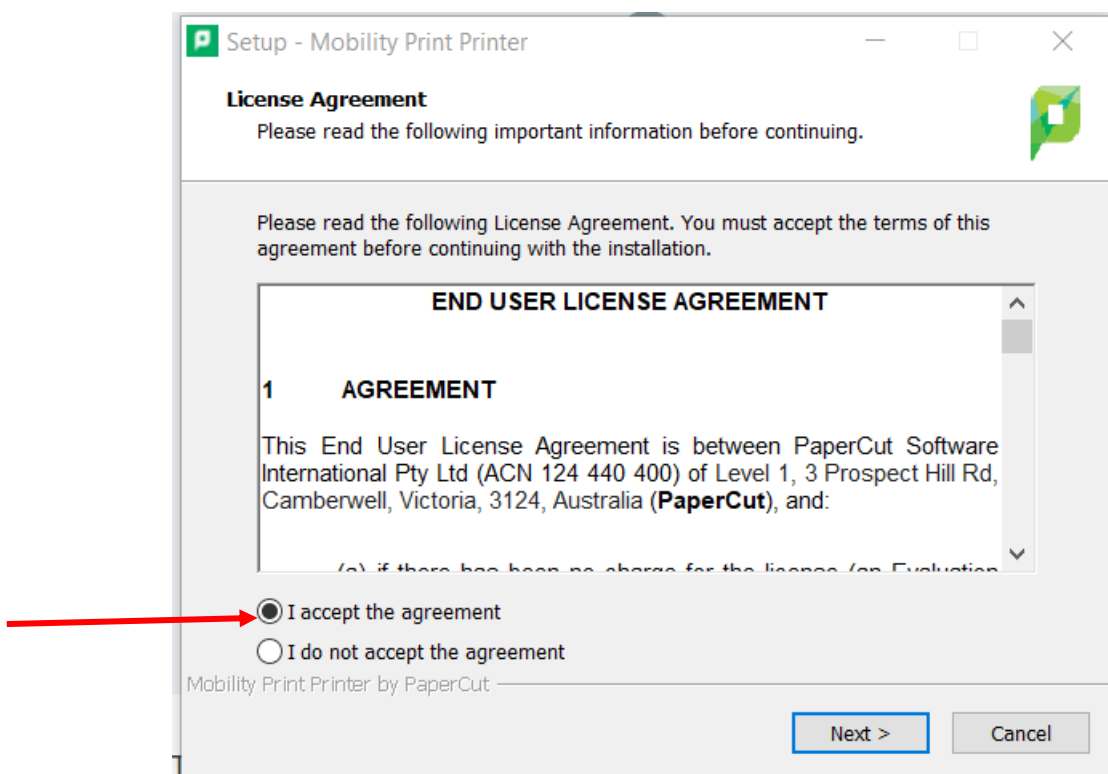

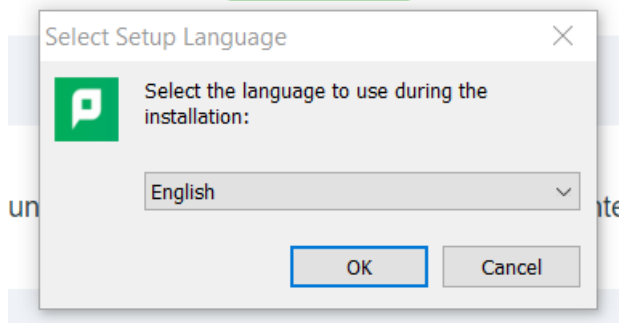

1. Click the button below to download Mobility Print. A green "Download" button is visible.
2. Run the Mobility Print installer to install your printers.

Below the steps, it says "When it's time to print, just print like you normally do".

A "TIP" section follows: "Don't change the name of the installer; it tells Mobility Print where the printers live."

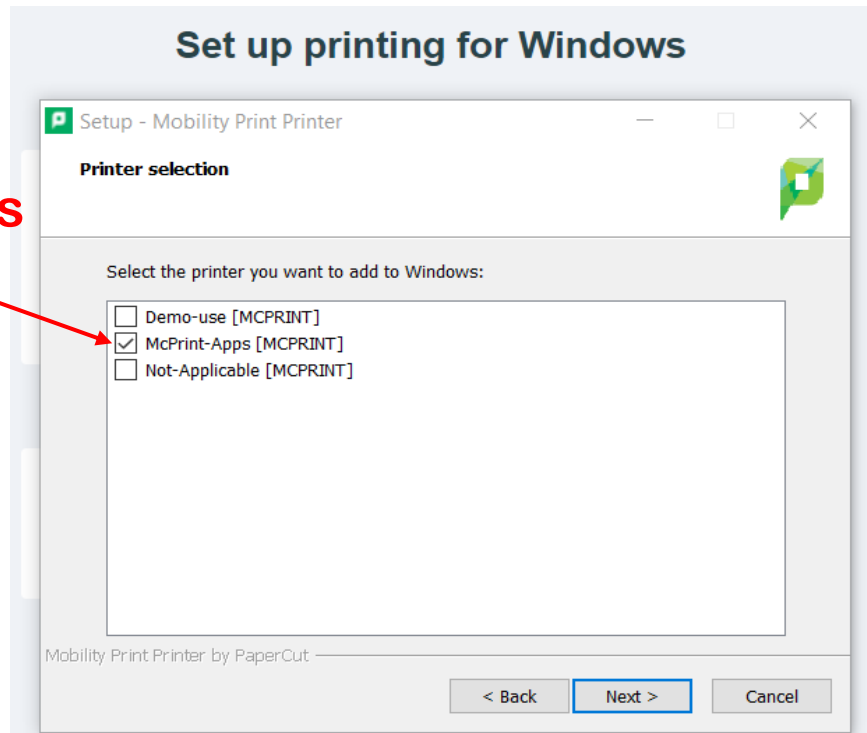

At the bottom, it says "Not your operating system? Try one of these!" and shows icons for Android, Linux, iOS, and Apple.

Open the  
exe.file and  
select Yes.
