PaperCut
Mobility Print

You need to turn these on for printing to work.

When you're done, just print as usual from your apps.

 Tap here and check the Mobility Print Service is on.
Mobility Print needs to run in the background for you to print.

 You've already turned on notifications. All good here!
We'll notify you if you need to log in to print.

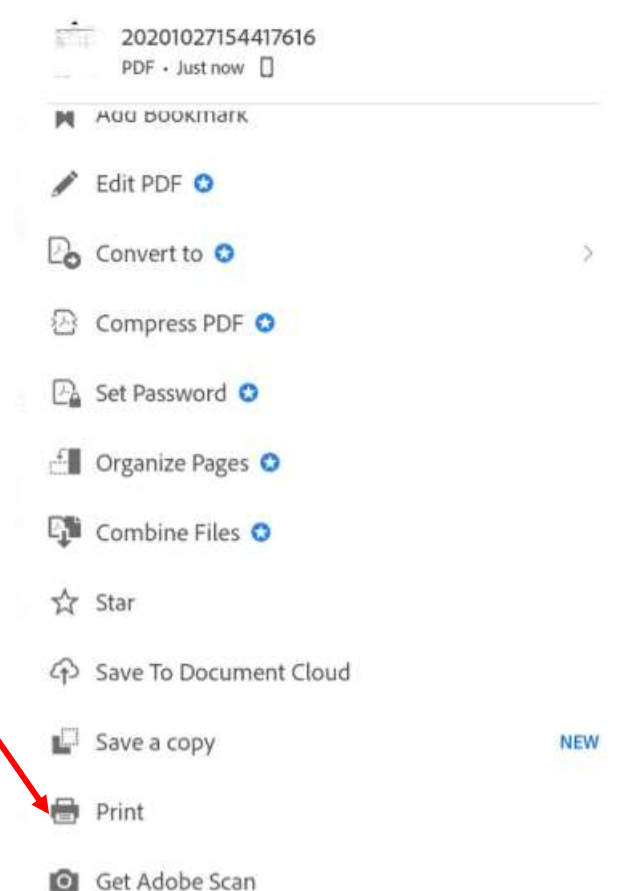

To Print using Android Device

Select your PDF/ Word/ Excel/ PowerPoint documents, photo or email contents that you want to print.

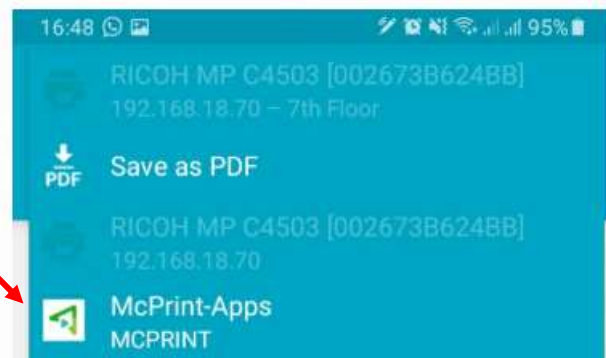

Click

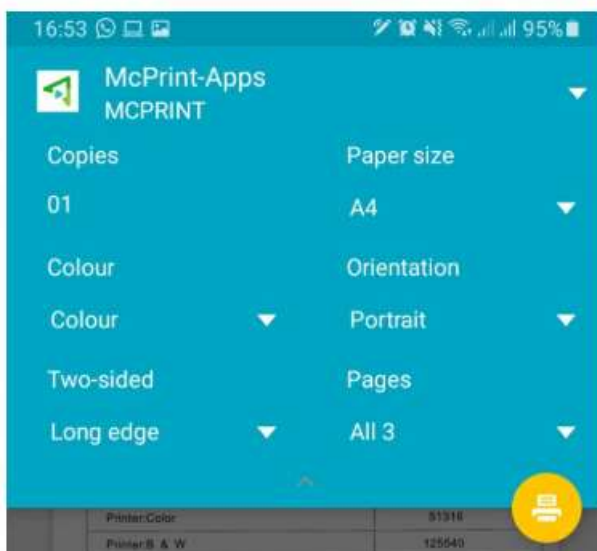

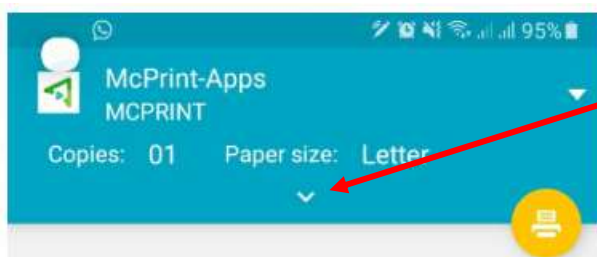

Print

Select McPrint-Apps

Select to change the print settings based on your requirements
